

PHARMACY OVERVIEW

# Pharmacy Information Sheet

Independent community and long-term-care pharmacy in Beltsville, Maryland.

**OPENING SEPTEMBER 1, 2026 - PRE-OPENING INQUIRIES OPEN**

### Patients and caregivers

Prescription transfers, medication synchronization, packaging, immunizations, local local prescription delivery planning, and medication education.

### Providers

Electronic prescribing, secure fax referrals, community and LTC pharmacy profiles, and direct phone coordination.

### Facilities and organizations

Packaging and cycle planning, delivery workflow, medication-list and MAR/eMAR support, onboarding, and ongoing communication.

### How to begin

Patients may call. Providers should use e-prescribing, secure fax, or phone. Facilities may request a nonclinical discovery conversation.
